Cookies

When you visit our website, we use the cookies that are set out below. A cookie is a small file of letters and numbers that we put on your computer if you agree.

The information that is collected by cookies on our website is used to analyse the use of our website to help guide improvements and to improve functionality of our website. We also use certain tracking cookies, some of which link to social networking sites like Facebook and Twitter and these may contain information personal to the individual visitor.

By using our website, you agree that we can place these types of cookies on your device.

How to disable Cookies

You can disable the use of cookies. <http://www.investis.com/info/disabling-cookies.html>. You may also wish to visit www.aboutcookies.org which contains further general information about cookies together with comprehensive information about how to restrict or block cookies using your browser and how to delete cookies from your computer. However, if you disable the use of cookies the website may lose some useful functionality.

Google Analytics

This website uses Google Analytics, a web analytics service provided by Google, Inc. ("Google"). Google Analytics uses cookies to help the website operators (us) analyse how users use our site. The anonymous information generated by the cookie about your use of the website (including your IP address) will be transmitted to and stored by Google on servers in the United States. Google will use this anonymous information for the purpose of evaluating your use of the website, compiling reports on website activity, including the number of visitors to the website, where they have come to the website from, the pages they visit and the length of time they have spent on the website, for ourselves and other website operators and providing other services relating to website activity and internet usage. We use these reports to improve the way our website works. Google may also transfer the information collected by the Google Analytics cookie to third parties where required to do so by law, or where such third parties process the information on Google's behalf. Google will not associate your IP address with any other data held by Google.
